- 2.1 Duisburg
- 2.2 The roots of RBBK
- 2.3 RBBK 2023
- 2.4 Main focus at RBBK

3 Erasmus+

1 The educational system

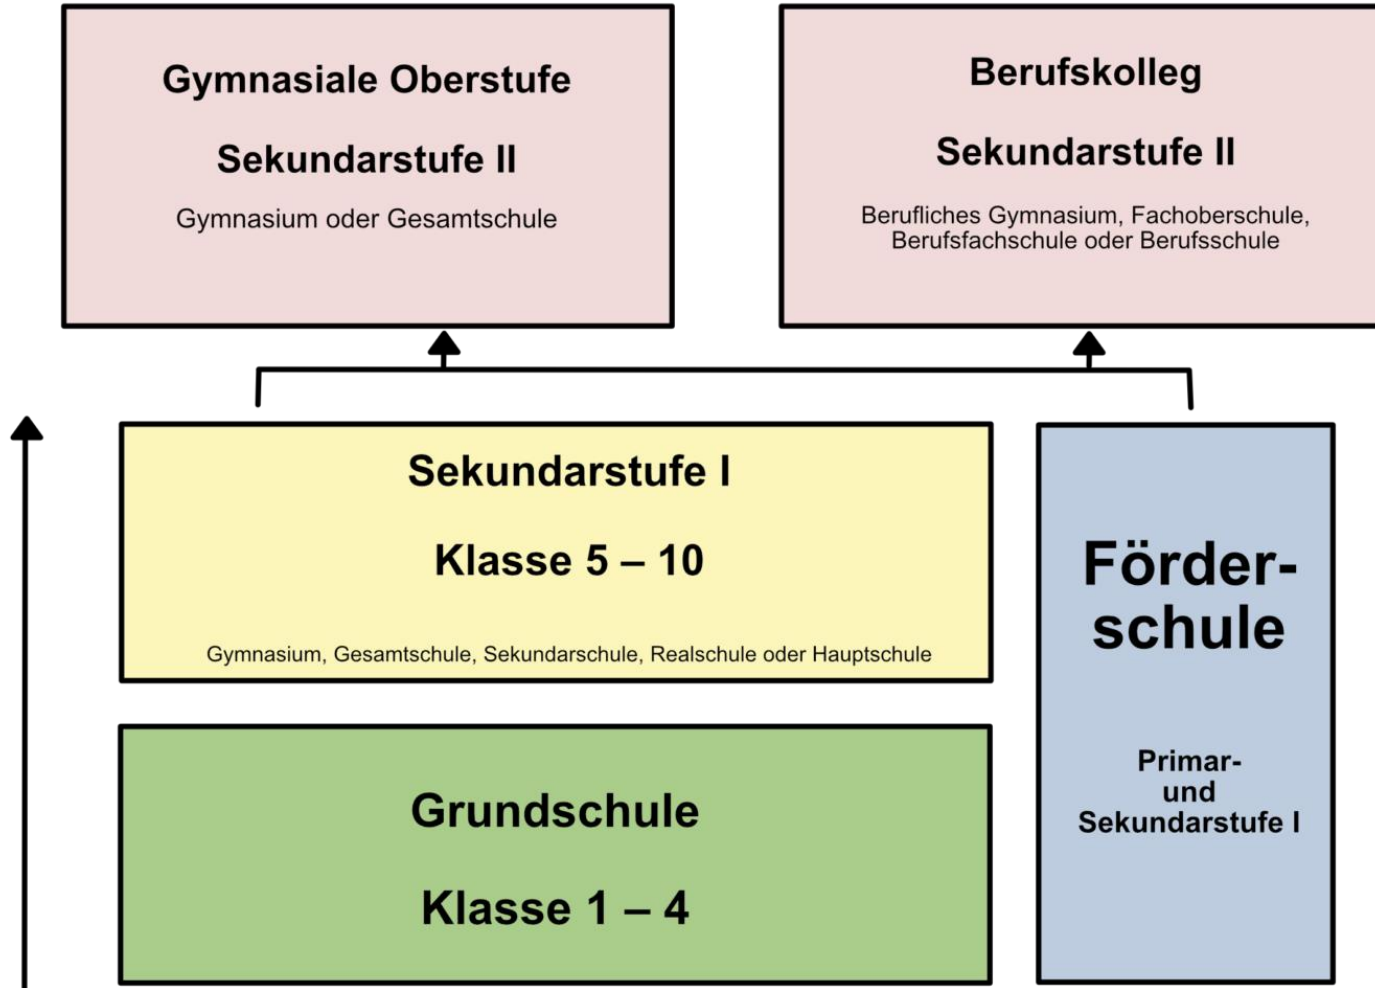

1.1 General information

- ▶ Educational policy is subjected to the sovereignty of the 16 federal states.
- ▶ Free access for all students.
- ▶ No school fees, textbooks almost free of charge.
- ▶ Compulsory education begins at the age of 6.
- ▶ Compulsory education ends after ten years of schooling.
- ▶ Compulsory vocational education ends in the year in which the student reaches the age of 18.

RBBBK

1 The educational system

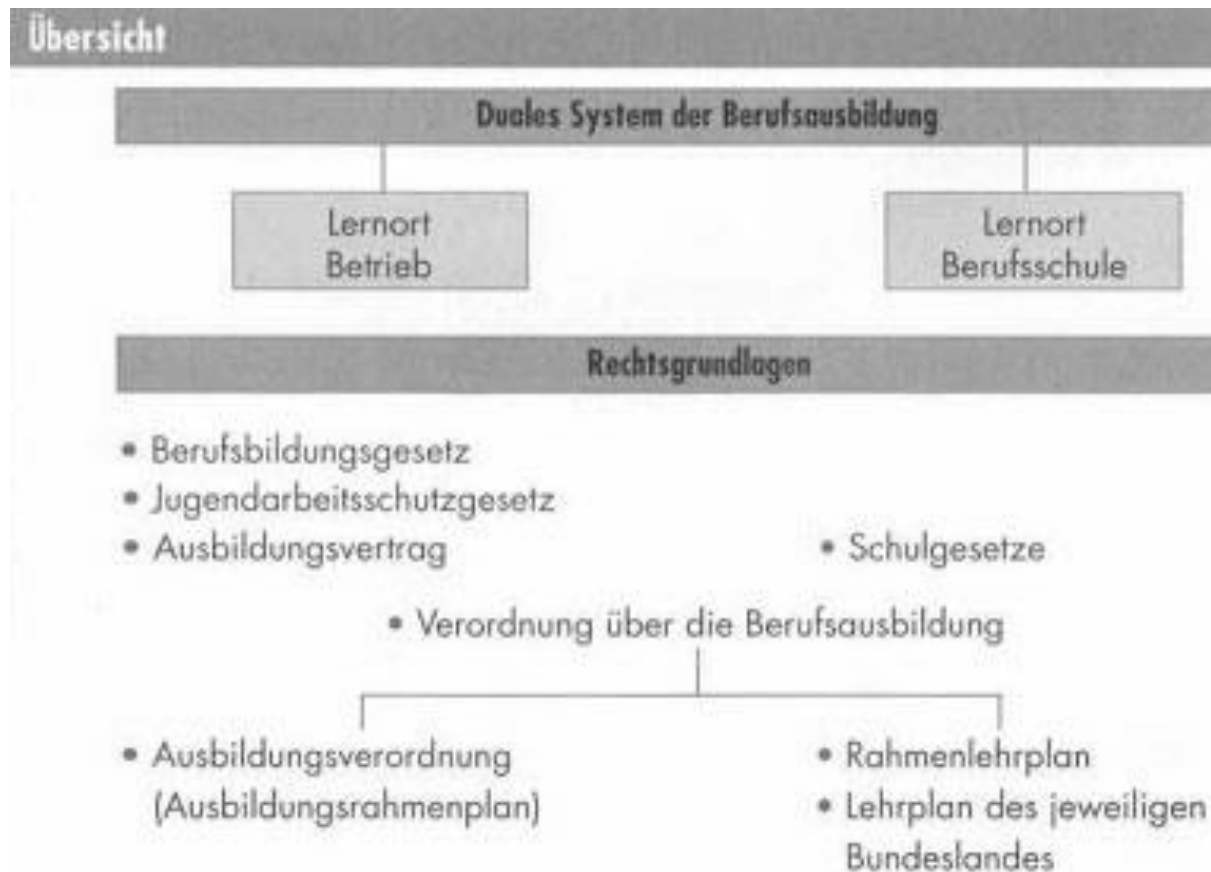

RBBK

1 The educational system

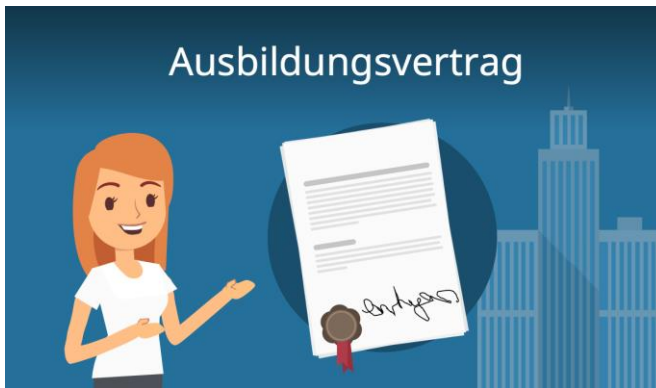

The vocational college:

- ▶ Full-time education
- ▶ Dual system of vocational training

1.2 The dual system of vocational training

1 The educational system RBBK

RBBK

1.2 The dual system of vocational training

- ▶ The prerequisite for training is a training contract concluded with a training company.
- ▶ The training usually lasts between **2 and 3.5 years**.
- ▶ In 2022, there were **324 recognised training occupations** in Germany.
- ▶ In 2022, there were **1.22 million trainees** in Germany.
- ▶ All over Germany, more than **256,000 apprentice positions** remained vacant. (based on current data from summer 2023)

PRÜFUNG

Organisation of vocational education

- ▶ Part-time, all year round on **1 - 2 days per week**, the other days in the company
- ▶ In **blocks** of several weeks at a time, alternating with training on the job
- ▶ **First exam:** after approx. 1-2 years with the chambers of trade or crafts
- ▶ **Second exam** at the end of the training period

1.3 Activity-based teaching

Definition:

- ▶ It is a holistic and student-activating approach.
- ▶ The **product of action** - negotiated between teacher and students - serves as a guideline for the arrangement of teaching processes.
- ▶ The students' **cognitive and manual efforts** should be balanced.

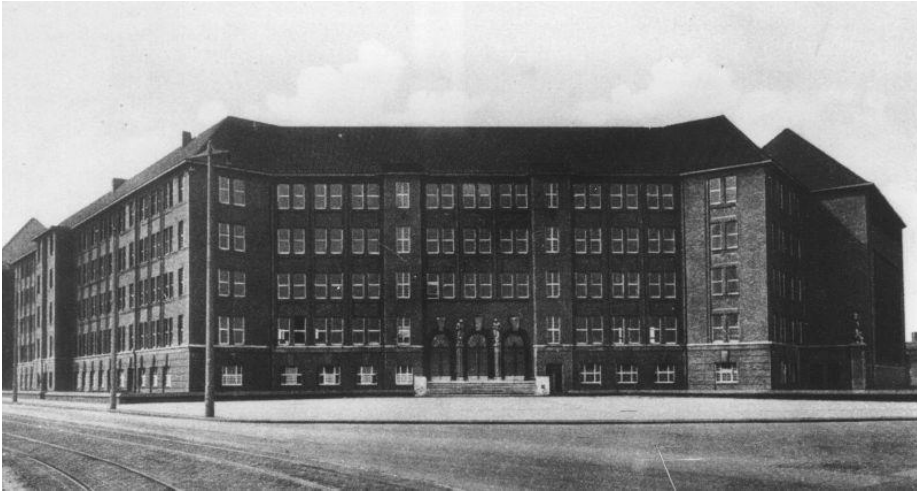

2 RBBK introduces itself

2.1 Duisburg's variety

09.02.2024

2.2 The roots of RBBK

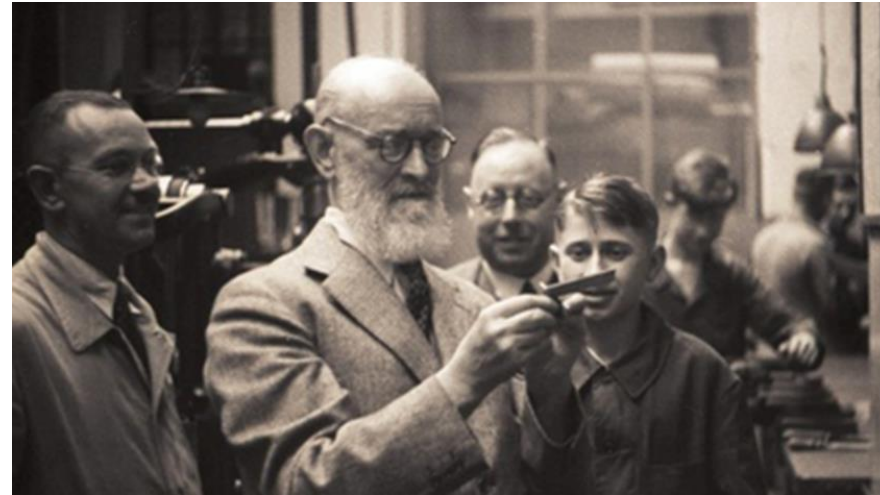

RBBK

- ▶ In 1897 the school was founded as a school for further vocational training. It was built in Duisburg – Hamborn between 1926 and 1929.

Robert Bosch:

- ▶ eight-hour working day
- ▶ vacation arrangements
- ▶ pensions
- ▶ jobs for severely disabled people
- ▶ The training workshop (built in 1913) and vocational education kept Robert Bosch very busy.

...today

RBBK

The school's current situation

about 2,000 students

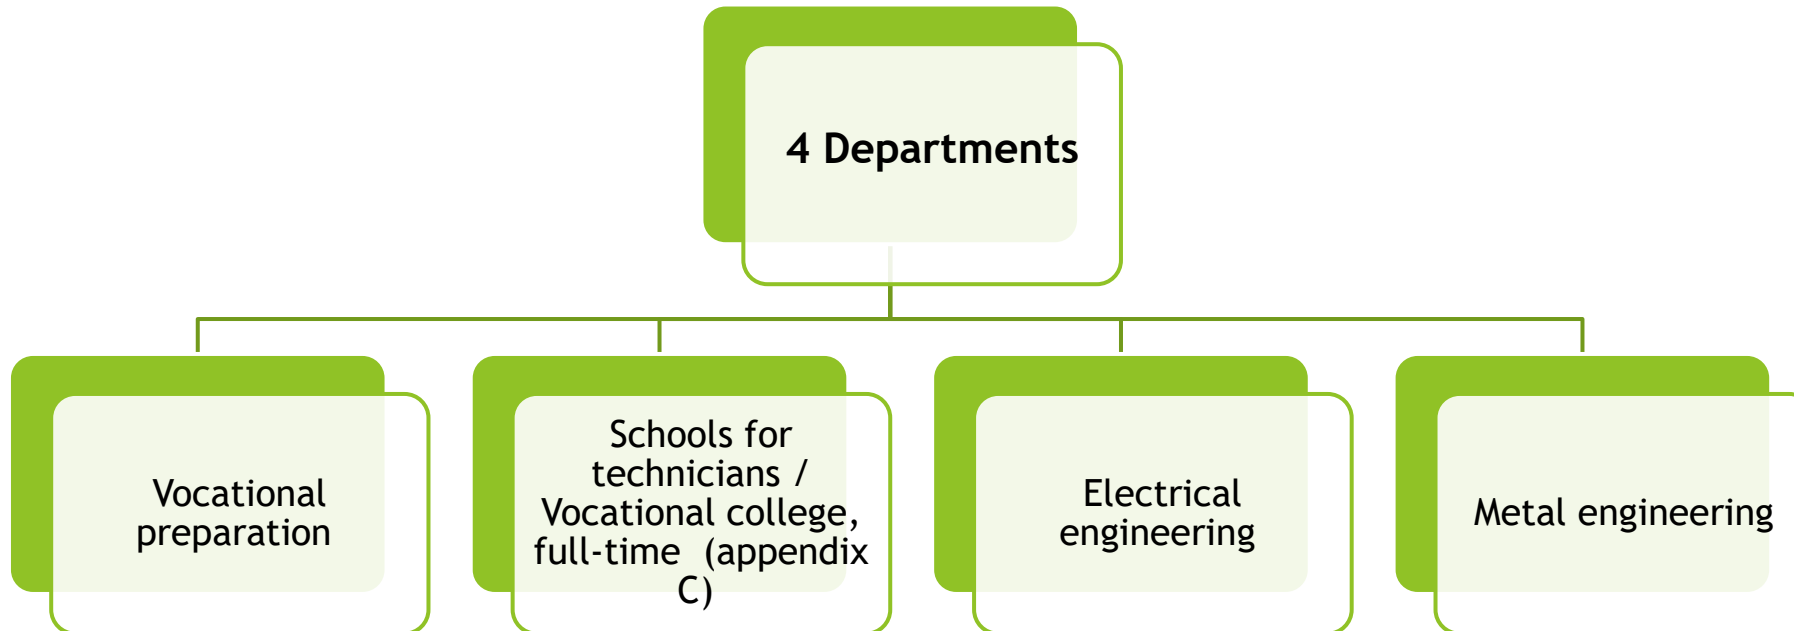

80 teachers

in the school year 2022/23

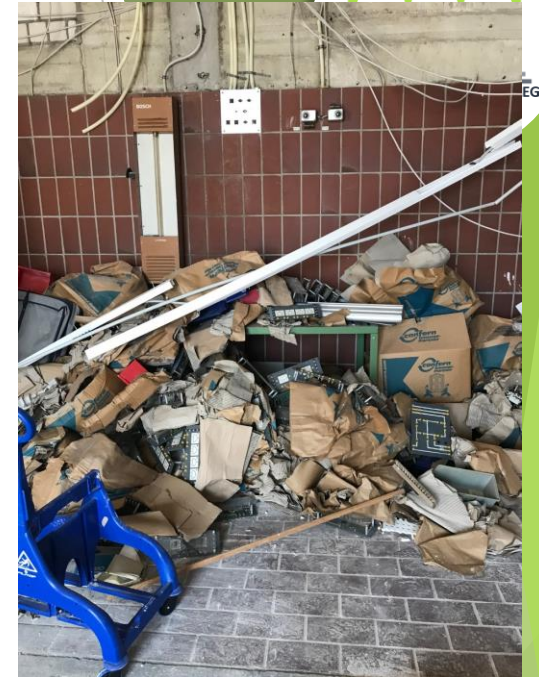

- Berufl. Grund- u. Vorbildung, (höhere) Berufsfachschule
- Elektrotechnik
- Metalltechnik
- Fachschule

09.02.2024

2.4 Main focus at RBBK

2.4 Main focus at RBBK

3. Erasmus+

3. Erasmus+

- ▶ **Tradition:** successful Erasmus+ projects with our partner school in Norway
- ▶ Erasmus+ programme: **accredited** directly since 2021 offering new opportunities

European development plan - Targets -

1. Strengthening **personal skills**, e. g. independence
2. **Reduction of youth unemployment** in the north of Duisburg
3. **Increasing the opportunities of trainees** on the European labour market
4. **Experiencing intercultural diversity** and internationality by means of personal encounters
5. Experiencing and realising **community**
6. **Securing the site RBBK**

Erasmus+

Implementation

1. Internships

- ▶ Dalane skole in Egersund, Norway (both sides)
- ▶ HTL Mödling near Vienna, Austria
- ▶ VTMC in Vilnius, Lithuania
- ▶ Freely selectable in Europe/worldwide
- ▶ Wish for the future: Fort Lauderdale.

2. Calais trips with full-time students from vocational colleges and vocational preparation

3. Euregio projects (pilot school)

4. Smaller projects (e. g. Europa macht Schule, Bürger Europas e. V., participaton at Europatag)

Erasmus+

**Pedagogical day
26 April 2023:**
Prof. Leisen taught
and Austrian
colleagues visited us
in order to learn
about language-
sensitive teaching
